Publications:

Mickelson S, Hakim I. Is post operative monitoring necessary following UPPP? Oto-HNS 119;4:352-56, Oct 1998

Utley,D, Goode, R, Hakim I. Radiofrequency tissue ablation for nasal obstruction from turbinate hypertrophy. Laryngoscope 109 (5), 683-686; May 1999

Hakim I. Atypical Fibroxanthoma. Annals of Oto Rhino Lar 110 (10); 185-7; Oct 2001

Hobbies/Interests:

When not in the office, Dr. Hakim enjoys spending time with his family. He also enjoys the Arizona outdoors with activities such as hiking, birdwatching and golf. He is an avid reader and especially enjoys history. He likes to draw and one day, would love to be able to paint half as well as his mother.
